

# G1000

Amersfoort, Novembre 2020

G1000 is:

A place where citizens decide about important issue's in their community, based on deliberation and a joint search for common ground

**G1000**.nu

DO DEMOCRACY DIFFERENTLY

- 
- G1000 is a philosophy
  - G1000 is an instrument

# The instrument:

Citizens  
Summit

Citizens  
Forum

Citizens  
Assembly

Citizens Decision

***Yes, that's how we are going to do it!***

*Hans Niesen*

# Citizens Summit:

- up to 1.000 participants
- first defining the agenda together
- then elaborate proposals
- judging idea's and proposals
- vote for Citizens Decision

# Participants:

- inhabitants
- civil servants
- politicians
- employers/entrepreneurs/professionals
- free thinkers

# Rules:

- Listen to each other
- Avoid discussion
- You don't have to agree
- Create space for each other

# Philosophy:

- Inhabitants, government and employers are the descriptive actors in every community
- Government = responsible for the continuity of the community
- Employers = exploitation of the resources of the community for the benefit of all

# G1000 stands for:

- direct democracy
- autonomy and equality of citizens
- contribution to a stronger community

# Values G1000:

- Autonomy - citizens lead themselves
- Equivalence/equality - we are all citizens!
- Communalities - the whole system in the room
- Dialogue
- Diversity
- Transparency
- Safety
